

# JOIN US IN BUILDING COMMUNITY

Now is the perfect time to  
connect and serve together.  
All are welcome!

## What is a Community Group?

A community group brings people together to connect, serve, and build relationships through curated mission and fellowship experiences.

Join a Community Group to engage in various service opportunities like volunteering at Winter Nights or serving with love does, and experience meaningful fellowship activities as we share life together, encourage one another, and grow together spiritually.

Come and  
be a part of  
something  
impactful!
